(associate company)

Intarcon  
(associate company)

2016 Infrico develops its new manufacturing plant for supermarkets. The company has been in production since 2013.

In 2019, the company implemented its second phase of manufacturing plants  
It features a production centre of 14,000 m<sup>2</sup> and 40,000 m<sup>2</sup> for logistic related activities  
In 2022 we will expand the factory by 5,000 square metres

The manufacturing plant for cold rooms, industrial doors and walk-in coolers features a production centre of 12,000 m<sup>2</sup>

Company 4.0

Smart Industry:

- Creation of “smart factories”
- Robotization of machine processes

A photograph of three business professionals in an office setting. A man in a dark polo shirt is on the left, a woman in a light blue button-down shirt is in the center, and a man in a dark suit and striped tie is on the right. They are all looking down at a tablet held by the man in the suit. The image has a dark, semi-transparent overlay.
